

Hello!

We've got some exciting news for our partners this month. Are you looking to speed up your time to market when designing your self-service kiosk? If so, we've got you covered! Join us for our **BRAND NEW WEBINAR, "Mastering Self-Service Kiosk Creation."**

In partnership with Arrow Intelligent Solutions and Intel, we'll be exploring the complexities involved in creating a successful self-service kiosk and learning how Arrow can help organizations leverage the right solution for the right environment. Don't miss out on this opportunity to gain valuable insights on self-service kiosk design, technology innovation, and partnerships. Register by clicking [here](#) or on the image below!

Before you go, don't forget to read our brand new blog "Why Choose SySTIUM," and scroll to the end to check out our newest career opportunity!

Until next time,
The SySTIUM Team

Curious About What Makes System Different?

Learn all about our mission, our story, and our core values in our most recent blog below!
